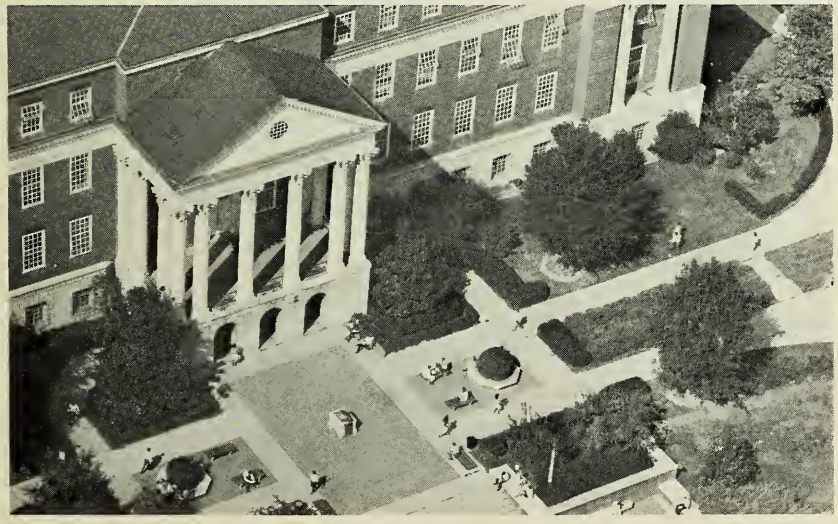
The University of Maryland had its beginning in 1807 with the chartering of a School of Medicine in Baltimore. Five years later the charter was expanded to incorporate faculties of Divinity, Law, and Arts and Sciences under the name, University of Maryland.

The University's development at College Park began in 1856 with the establishment of an agricultural college. Six years later, under the terms of the Morrill Act of 1862, it became the Land-Grant College of Maryland. Over the years additional curricula and colleges were added at the College Park campus, and in 1920 the two institutions were combined under a single Board of Regents and retained the name, University of Maryland.

In 1948 the University acquired another division, presently called Maryland State College. Located in Princess Anne, the College was founded in 1886 by the Methodist Church and was called the Delaware Conference Academy. It was taken over by the State of Maryland in 1926. Maryland State College operates as an autonomous unit of the University and has its own president and faculty.

The University opened a new campus at Catonsville, Maryland, in September, 1966, to serve the Baltimore metropolitan area. Because of its location in Baltimore County, the campus is referred to as University of Maryland, Baltimore County (UMBC).



DR. WILSON H. ELKINS
PRESIDENT, UNIVERSITY OF MARYLAND

The twenty-first president of the University of Maryland, Dr. Wilson H. Elkins, is serving his sixteenth year in that office. He came to Maryland in September of 1954 from Texas Western College, a branch of the University of Texas at El Paso. He previously had served as president of San Angelo Junior College.

He holds B.A. and M.A. degrees from the University of Texas where, as an undergraduate, he earned eight varsity letters in football, basketball and track.

As a Rhodes Scholar, he received B.Litt. and Ph.D. degrees from Oxford University.

His administration at Maryland has been marked by a strengthening of academic standards. Faced with skyrocketing student enrollment, the University under his leadership has consistently sought to provide quality education for an increasing number of students.

Dr. Elkins is past president of the Middle States Association of Colleges and Secondary Schools, a member of the Southern Regional Education Board, and the Washington Center for Metropolitan Studies. He serves as Chairman of the Board of Directors of the Federal Reserve Bank of Richmond.

DR. JOHN E. FABER

CHAIRMAN, THE ATHLETIC COUNCIL

First appointed to the athletic council in 1951, Dr. Faber has served as its chairman since 1963. Dr. Faber is the University's representative to the Atlantic Coast Conference, of which he was president last year.

Dr. Faber is professor emeritus of the microbiology department. During his 36-year tenure as lacrosse coach, Maryland won five national championships and shared two others.

DIRECTOR OF ATHLETICS JAMES H. KEHOE

James H. Kehoe became Director of Athletics at the University of Maryland July 1, 1969, upon the retirement of William W. Cobey, who had held the post since 1956.

Appointment of Kehoe was announced by University President, Dr. Wilson H. Elkins, February 10, at which time Kehoe was placed in charge of matters of personnel, prior to assuming total responsibility July 1.

As Maryland track coach for 23 years, Kehoe saw his teams capture the Atlantic Coast Conference championship in all but one year of the ACC's existence.

In 1954, first year of the conference, Maryland took the conference crown. After North Carolina won the title in 1955, Kehoe's teams regained the championship which Maryland has now held for 15 straight years.

Since he became head track and cross country coach in 1946, Kehoe has directed his teams to a total of 47 Southern Conference and Atlantic Coast Conference championships.

In dual meet competition his teams were undefeated for the past eight years, and the track team had a winning streak of 27 straight victories and the cross country team 23 at his retirement.

Maryland won the I.C.4-A. track title in 1965, 66, and 69 to claim Eastern track supremacy.

Perhaps Kehoe's greatest moment was reserved for the recently completed season. In his final meet as head coach, by the margin of a single point, Maryland defeated heavily favored Villanova for the I.C.4-A. outdoor championship. By his own admission Kehoe declared this was his greatest track victory during his 25 years of coaching.

A native of Bel Air, Maryland where he starred in several sports, Kehoe entered Maryland in 1936 and concentrated on track and cross country. He lettered all three of his varsity seasons, was undefeated in dual meet competition during this period, and won several Southern Conference titles in indoor and outdoor competition, as well as holding University records in the 880 yard and two mile runs.

While a student at Maryland Kehoe was president of the Men's League and a member of Omicron Delta Kappa National Honorary Fraternity. His responsibilities at Maryland prior to his appointment as Athletic Director included: Head Track and Cross Country Coach, Associate Professor of Physical Education, and Director of Intramural Athletics. He also holds an Honorary Doctors Degree from Steed College in Tennessee.

During World War II Kehoe served as an officer with the 81st Infantry Division in the Pacific, rising from the rank of private to lieutenant colonel upon retirement. He participated in the Philippine Islands and Central Pacific Campaigns and was awarded the Bronze Star, American Service Medal, Asiatic Pacific Medal, Victory Medal, and Philippine Liberation Medal while in service.

Kehoe is married to the former Barbara Riggs England, a 1943 Maryland graduate. The Kehoes have four children: daughters Courtney Ann 23, Barbara Sue 21, Mary Lou 15, and a son Jim 22. Courtney Ann and Jim are graduates of the University.

ALFRED J. HANLON
ASSISTANT DIRECTOR OF ATHLETICS

Alfred J. Hanlon, who became Assistant Director of Athletics August 1, is concerned primarily with preparation and supervision of athletic budgets, scheduling, and organization and coordination of recruiting programs.

After directing the Maryland Air Force ROTC program for two years, Hanlon was retired last summer with the rank of colonel.

A native of Boston, Hanlon was graduated from Harvard where he earned a varsity letter in track.

A rated command pilot, Hanlon commanded a heavy bomber squadron in Europe during World War II and has served in a wide variety of command and staff positions since.

Hanlon's decorations include the Legion of Merit, the Air Medal with two oak leaf clusters, the Air Force Commendation Medal, and the Presidential Unit Citation Badge.

During his years at Maryland, Hanlon has been very interested in Maryland sports and has followed its teams closely.

Hanlon is married to the former Barbara Foster of Boston. They have three children, Christopher, 26, Brenda, 24, and Mark, 22.

HEAD COACH ROY LESTER

Roy Lester was named head football coach at Maryland March 14, 1969, after an extraordinary high school coaching career. Lester succeeded Bob Ward, who resigned.

In ten years as head coach at Richard Montgomery High School, Rockville, Md., Lester's teams won 86 while losing ten with one tie. Six times his teams were undefeated. He completed the 1968 season with a string of 25 consecutive victories.

"Such a record is interesting," said Athletic Director Jim Kehoe, "in fact, it *fascinates* me."

Lester was graduated from West Virginia University with a B.A. degree in Political Science in 1949. He was an end on the Mountaineers' Sun Bowl team of '49 and also played baseball and basketball at West Virginia. He spent the 1949 season with the Philadelphia Eagles and their farm team, the Paterson, N.J., Panthers.

In 1950, Lester started his coaching career with a two-year hitch at Walton, W.Va., High School and then directed football for four years at Allegany High, Cumberland, Md.

Lester served under Tommy Mont as an assistant coach at Maryland for three years starting in 1956. He was freshman coach the first two seasons and served as varsity end coach in 1958.

As a high school coach, Lester coached two players who developed into collegiate and professional stars. Rod Breedlove came to Maryland from Allegany High with Lester and became an all-conference guard. Mike Curtis, who played for Duke University, was a member of Lester's Richard Montgomery squad.

Of his former coach, Breedlove commented:

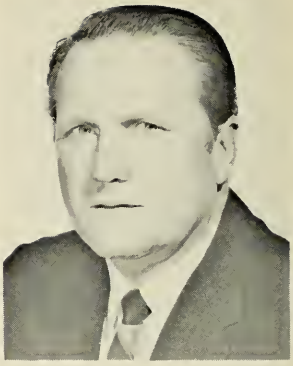
"I learned more fundamentals under Roy Lester than under anyone else. He stressed execution, blocking and tackling, maximum effort. Many different types of players were on his squads but he molded them together, concentrating on team play. He made it a point to exercise strict discipline, made sure players kept up their studies, and got along very well with parents."

Lester was held in high regard by his 1968 Richard Montgomery squad. Four members of that team, ranked third nationally, quickly signed grants-in-aid at Maryland.

Lester was married in 1957 to the former Sylvia L. Watson. They have four children—three boys, Roy, Jr., 11; Chris, 9; and Tommy, 8; and one girl, Amy, six.

DIM MONTERO

THE COACHING STAFF



BILL BELL

DIM MONTERO, assistant to the director of athletics and to the head football coach.

Dim Montero, assistant to the director of athletics and to the head football coach, is in charge of football recruiting, admissions, and academics.

On the field, he will aid both offensive and defensive coaches.

Montero begins his third season on the Maryland staff after an impressive ten-year coaching record at Salesianum High School, Wilmington, Delaware, where his teams won 70, lost ten, and tied three from 1956 through 1965.

Montero was the national Catholic coach of the year in 1964 when Salesianum was unbeaten in nine games. He was named Delaware's coach of the year in 1956. In four seasons, Montero's teams were undefeated, and Salesianum compiled winning streaks of 29 and 22 games.

During his coaching career, Montero had nine undefeated seasons.

Montero is a graduate of LaSalle University of Philadelphia, where he achieved Little all-America recognition.

Dim has served as head coach at Washington College, Chestertown, Maryland, and at Kings College, Wilkes-Barre, Pennsylvania. He was line coach at V.M.I. before taking command of Salesianum.

Married to the former Dottie Jean Klein, Montero is the father of three children: Dennis, 19, who played guard and linebacker for his father at Salesianum, Dianne, 16, and Denise, 15.

In his role of administrative assistant, Montero is responsible for much of the day-to-day work with individual players. He has earned their abiding respect as one who is sincerely and genuinely interested in their futures, football and academic.

BILL BELL, Offense

Bill Bell has taken charge of the Maryland offense following a nineteen-year career as coach of offensive backs at Syracuse University, where Bell contributed greatly to the development of such stars as Jim Brown, Ernie Davis, Jim Nance, Floyd Little, and Larry Csonka.

The naming of Bell was the first coaching appointment made by new coach Roy Lester, whose abiding friendship with Bell began when both were undergraduates at West Virginia University.

Both played football for the Mountaineers immediately before World War II. They went their separate ways after hostilities ended, but their football and personal ties remained close, leading to their reunion at Maryland.

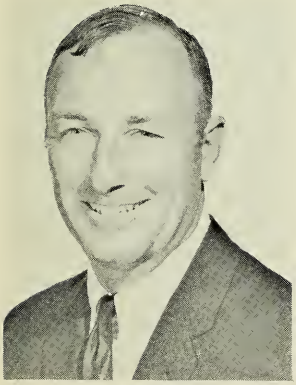
Bell was born in Steubenville, Ohio, June 24, 1922, and was graduated from Parkersburg, West Virginia, High School in 1940. Head coach at Parkersburg was a recent West Virginia graduate, Floyd Schwartzwalder, with whom Bell has also had a long, close association.

After enrolling at West Virginia in 1940, Bell was a halfback for the Mountaineers until his education was interrupted by the war. Service as a bombardier-navigator was completed in 1946.

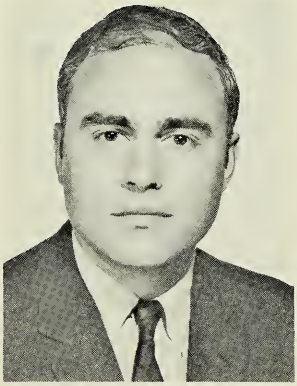
That same year, Schwartzwalder became head coach at Muhlenberg College and Bill elected to rejoin his former high school mentor. Bill guided the Mules to 18 victories in 20 games, fired 47 touchdown passes, and was named to the All-East and Little All-America teams in 1947.

Bell played pro football briefly for the San Francisco 49'ers and coached at Marietta, Ohio, High School before joining forces once again with Schwartzwalder, who had advanced to head coach at Syracuse.

Bell is married to the former Betty Lee Staats. The Bells have three children, a son William H., 22, an Air Force lieutenant; and two daughters, Cynthia Lou, 19, a junior and a cheerleader at Syracuse; and Kevin Sue, 17, a high school student.



JOE MARK



GEORGE BOUTSELIS

JOE MARK, Offensive Line

Joe Mark, whose responsibility is the offensive line, learned his football as a blocking back in a single-wing offense, and many will say there is no better way.

Joe was graduated from the College of William and Mary in 1951 and later was awarded his Master's degree from the same school.

His first coaching assignment was as varsity assistant at his alma mater in 1953. After a two-year tour as head coach at Vero Beach, Florida, High School, where his teams won fifteen and lost only five, Joe returned to William and Mary in 1956.

Three years later, Joe began an eight-year career at North Carolina, starting first as freshman coach, then joining the varsity staff as an assistant. His final two seasons at Chapel Hill, Mark headed the North Carolina offense.

Mark spent the 1967 and '68 seasons at Navy, charged primarily with the offense.

Joe is the most accomplished golfer on the coaching staff. He is affable and generally smiling, even in the face of a certain bogey.

Mark was born June 24, 1929, at Hampton, Virginia. He is married to the former Faith Ann DeBolt. The Marks have two children, Joe, Jr., 13, and Alyson, 10.

GEORGE BOUTSELIS, Linebackers

George Boutselis, who will coach linebackers for Maryland, is a former quarterback and will be able to help Terrapin defenders think along *with* the opposing quarterback, perhaps *ahead* of him.

George played his college football at North Carolina, where he was graduated in 1963 with a B.S. degree in Industrial Relations.

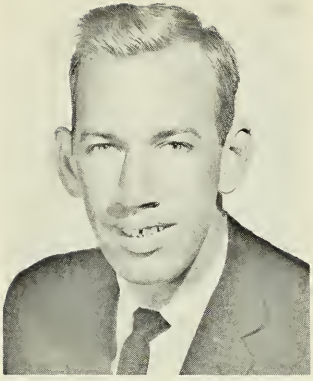
For four seasons, Boutselis was an assistant coach for his alma mater, working for two years with offensive backs, then two years with the defensive secondary.

The University of Cincinnati beckoned in 1967 and Boutselis spent two years with the Bearcats, developing and perfecting his ideas about defensive football.

A personable and dedicated student of football, George is also an able recruiter, having persuaded several incoming freshmen to attend Maryland.

A native of Harrisburg, Pa., the 29-year-old Boutselis is single, an ardent golfer, and a music fan, preferably in stereo.

LEE ROYER



ALBERT FERGUSON

LEE ROYER, Defensive Secondary

Lee Royer, who joined the Maryland coaching staff last season, remains with the Terrapins as coach of the defensive secondary.

A native of Baltimore, Lee was graduated from West Chester, Pa., State in 1957. Lee was a fullback and linebacker and earned his letter in each of four seasons at West Chester. He was football captain for the 1956 season.

Royer also earned a varsity letter in tennis.

Prior to joining the Maryland staff, Royer was an assistant coach at Virginia Tech. His previous coaching experience included Fort Knox High, Chester, Pa.; Penn Military College; University of Connecticut; and Boston College.

Royer is a cheerful, enthusiastic coach, a "holler guy" in the best sense of that term. He is as quick to praise as to point out mistakes, and thoroughly dedicated to football.

Lee is a top after-dinner speaker and has appeared at numerous coaching clinics around the nation, notably the National Football Clinic last March in Atlantic City, N.J., where he discussed "Developing Muscular Endurance Through Pre and Off Season Conditioning."

Royer is married to the former Ruth Hobbs, also a graduate of West Chester State. The Royers have three children: Jenny Lee, 7; Amy Leigh, 5; and Timmy, 3.

ALBERT FERGUSON, Freshmen

Albert Ferguson, who will coach the Maryland freshmen, has one major point in common with his new head coach Roy Lester: both were very successful high school coaches.

In five seasons of directing three high school teams, Ferguson established a record of 42 victories, seven losses, and two ties.

One of his teams appeared in a post-season bowl game.

Born in Town Creek, Alabama, June 17, 1939, Ferguson attended Auburn University for two years and was graduated from Florence, Alabama, State in 1962.

Even while completing work toward his B.S. degree, Al began his coaching career at Madison High, Gurley, Alabama. After a two-year stay in Loretta, Tennessee, where his 1963 team earned a bowl bid, Ferguson advanced to Lawrence County High, Moulton, Alabama, in 1964, for two seasons.

Former Maryland coach Tommy Mont, now head coach at Depauw, summoned Ferguson to handle the linebackers and secondary in 1966. He worked with the offensive line the next season.

In 1968, Ferguson was offensive backfield coach at Washington University of St. Louis. Upon the recommendation of Mont, Ferguson was signed by Maryland.

Dr. Stanford A. Lavine — *Team Physician*

Dr. Stanford A. Lavine is Terrapin Team Physician.

As a quarterback on the 1949 Maryland eleven, Stan established one Terrapin record and shares another.

Against South Carolina, Lavine passed 15 yards to Ed Bolton who ran 77 yards to score. The 92-yard touchdown play remains the longest scoring pass and run in the Maryland record book.

Against George Washington, Lavine completed three touchdown passes, a mark he shares with several other Terp quarterbacks.

Dr. Lavine is an orthopedic surgeon.

1968 IN REVIEW

FLORIDA STATE 24 – MARYLAND 14 (Sept. 21, Byrd Stadium)

The Terrapins led briefly in the second quarter, when Alan Pastrana passed to Rick Carlson for a touchdown. Florida State capitalized on a fumble recovery and used the "bomb" to hold a 17-7 half-time lead.

Maryland pulled to within three points when Hank Gareis returned an interception 54 yards to score, but the Terrapins could never come closer.

SYRACUSE 32 – MARYLAND 14 (Sept. 28, Archbold Stadium)

Presenting Coach Ben Schwartzwalder his 125th victory at Syracuse, the Orange clearly predominated.

Maryland rooters were heartened when Terrapins went on a 57-yard march climaxed by Billy Lovett from the one early in the second quarter, to narrow the gap to 12-7.

Apparently stung by the touchdown, the big and versatile Syracuse eleven took over, scoring on a long drive and after an interception to take a 25-7 half-time lead.

DUKE 30 – MARYLAND 28 (Oct. 5, Oyster Bowl, Norfolk, Va.)

Apparent victory became heartbreak in the final seconds of a thrilling game.

Maryland broke a 21-21 tie when Billy Lovett ran 33 yards up the middle to score. The Terrapins clung to a 28-27 lead with 2:13 left when Bob Haley jarred loose a two-point conversion pass to Jim Dearth in the end zone.

On the passes of Leo Hart and Dave Trice, Duke battled to the Maryland 10, although Maryland fans insisted that a Trice-to-Carter pass, ruled complete, had been caught on the bounce at the Terrapins' 10. As the gun sounded, David Pugh's field goal sent Maryland to its 16th straight loss.

MARYLAND 33 – NORTH CAROLINA 24 (Oct. 12, Byrd Stadium)

The fourth quarter began with North Carolina holding a 24-20 lead but Al Thomas scored a touchdown to put the Terrapins in front. Thomas had put Maryland in good position with a 53 yard kick-off return.

Maryland's defense halted the Tar Heels at midfield and Maryland iced it when Alan Pastrana passed 16 yeard to Rick Carlson, to set up a jubilant celebration marking the end of the 16-game losing streak.

Billy Lovett established a Maryland record by carrying 39 times.

MARYLAND 21 – SOUTH CAROLINA 19 (Oct. 19, Byrd Stadium)

The Terrapins were never behind but it wasn't easy in the rain on Homecoming Day.

With Maryland ahead, 14-7, in the fourth quarter, the Gamecocks missed a two-point conversion after a 47-yard touchdown pass to Fred Zeigler.

Dean Landolt gave Maryland some breathing room when he returned a Tommy Suggs pass 26 years to score.

Zeigler hauled in another touchdown pass, this one 26 yards, with 3:36 left. But Randy Yoakum, trying to run for two points, was hit by John Dyer and Wally Stalnaker just short of the end zone.

NORTH CAROLINA STATE 31 – MARYLAND 11 (Oct. 26, Carter Stadium)

A North Carolina State running game netted 285 yards and the Wolfpack defense kept Maryland in poor field position all afternoon.

Junior Charley Bowers, who scored three touchdowns, ran for 113 yards and quarterback Jack Klebe added 97 yards. Bobby Hall picked up 45 yards.

State recovered a fumble at the Maryland 16 to set up its first touchdown, then returned a punt to the Maryland 43 to lead to the second TD, and had to go just 46 yards for their third.

WAKE FOREST 38 – MARYLAND 14 (Nov. 2, Groves Stadium)

Quarterback Freddie Summers, an old nemesis, picked apart the Maryland defense and staged a dazzling personal display.

Summers accounted for 310 yards, 202 passing and 108 rushing, to improve upon his 1967 performance (267 yards) against Maryland.

Things turned toward the Deacons mid-way the second quarter when Summers faked a handoff, rolled to his right, and went 90 yards for a touchdown.

In order after that, Summers passed for a touchdown, set another with his passing, and ran one yard for another.

CLEMSON 16 – MARYLAND 0 (Nov. 9, Byrd Stadium)

While Clemson's defense was holding Maryland to six yards net rushing, sophomore fullback Ray Yauger led the Tigers to a shutout.

Yauger ran for 139 yards and scored two touchdowns. Tailback Buddy Gore picked up 42 yards, before leaving with a knee injury in the second quarter.

So complete was the Maryland frustration that an apparent touchdown pass, a second quarter toss from Alan Pastrana to Roland Merritt covering 78 yards, was nullified by a holding penalty.

PENN STATE 57 – MARYLAND 13 (Nov. 16, Byrd Stadium)

Penn State, en route to the Orange Bowl and high national ranking, demolished the Terrapins with an awesome display of offense and defense.

The Nittany Lions amassed a total of 475 yards, mainly on the running of Bobby Campbell and Charlie Pittman and the pass catching of Ted Kwalick, who grabbed five passes for 56 yards. The defense intercepted two passes, recovered two fumbles, and blocked a punt.

The point total was the highest against Maryland since 1917.

In his final game for the Cavaliers, Quayle ran for 216 yards and gained another 45 yards on five pass catches.

Billy Lovett gained 111 yards, to give him a Maryland record of 963 yards for a season.

THE OUTLOOK

THE OUTLOOK

THE TERRAPINS FOR 1969

Maryland's first offensive unit may be able to hold its own but the defense, which yielded record chunks of yardage last year, may have its troubles again this season. Both units will suffer from lack of depth.

New coach Roy Lester looks at the 1968 statistics with a grim shudder. In ten games the Terrapins allowed 299 points and 4,192 yards, both record totals. The offense was shut out in one game and was held to fourteen points or less in five others.

It was something of an understatement when Lester commented at the end of spring practice, "We are not overly enthusiastic." The new mentor quickly added that he was not discouraged, either, and was well pleased with the attitude of the squad throughout spring drills.

"If we are to improve on a 2-8 record, we must first strengthen the defense," said Lester. "We won't have the size or depth to go head-on against the teams on our schedule. We'll have to stunt and move around, but I liked the way our squad hit."

The starting defensive ends will probably be seniors Hank Gareis (195) and John Dill (215) but each will have to stave off challenges from junior Steve Welhorsky (232), junior Mike Chadick (220), senior Bill Grant (192) and senior Glenn Kubany (216).

Junior Pete Mattia (203) and sophomore Guy Roberts (220) ended spring workouts as starting defensive tackles. Senior Charles Hoffman (270) earned a letter at the tackle post last year. Much is expected from three sophomores—Rick Stoll (230), a red-shirt, Len Shober (235), and James Hamley (238), a transfer from Arizona State, and from junior Len Santacroce (235), injured this spring.

Outside linebackers in the Maryland 4-4 for the squad game were junior Bob Mahnic (214), and sophomore Craig Gienger (201). Tim Brant (200), is among those pushing Mahnic, a transfer student from William and Mary who enjoyed an impressive spring practice. Junior Dean Landolt (175) and sophomore Len Spicer (183) are among contenders for the other outside linebacker post.

Inside linebackers will both be veterans. Senior Dan Kecman (216) will operate as what the Maryland coaches call the "Snapper" and junior John Dyer (195) will probably start as "quick linebacker." Senior Steve Ciambor (192) and junior Gary Van Sickler (191), both lettermen, aim for inside linebackers' jobs, along with junior Dave Seifert (215) and sophomore Bill Reilly (199).

Former running back Kenny Dutton (175), captain of the defensive unit, will lead the Terp secondary, aided by veterans Wally Stalnaker (191) and Bob Colbert (190). Junior Tony Greene (164), one of the team's fastest men, could edge into a halfback post. Senior Mike Brant (190), junior Eric Moore (170), and sophomores Len Massie (180), Steve Ruckert (158) and Wayne Youngs (180) lead other defensive back candidates.

One thing is certain about the starting offensive backfield: Dennis O'Hara (185) is far and away the number one quarterback. The slender junior is one of the best runners on the squad, and although his aerial statistics were not impressive, O'Hara figures to develop as a passer. He will be especially dangerous in the sprint-out series.

Sophomore Will Morris (193), a red-shirt, was one of the stars of the game, firing a touchdown pass to Bill Gillespie to bring the Reds an 18-12 victory over the White team. Morris refuses to concede the starring role to O'Hara. Sophomore Jeff Shugars (182), who quarterbacked the '68 frosh, will start fall practice as number three signal-caller.

Junior Al Thomas (198) and senior John King (173) will log most of the playing time at tailback. Thomas is a big, strong runner who was the team's second leading ground gainer last year. King, close behind Thomas in yardage, is an exciting threat to go all the way.

Two sophomores will fight it out for the starting fullback job. Tom Miller (197) had the lead after spring practice, but Scott Shank (190), who was held out last year, was second in a photo-finish.

Senior Paul Fitzpatrick (192) seems to hold a big edge among wingback candidates. After a disappointing junior year Paul provided coaches with one of their brightest spots in spring practice. Sophomore Larry Marshall (196), injured all spring, could make up ground to bring the fight to Fitzpatrick.

The Terrapins believe their starting offensive line will be its biggest single "plus," and Maryland coaches insist that starting guards Bill Meister (237) and Pat Burke (221) are the best pair in the conference. Burke was the most impressive lineman of the spring, Meister has tremendous potential. Senior Bob MacBride (208) will probably be a swing man to spell both guards, with possible help from sophomores Ray Soporowski (213) and Tim Brannan (205).

Offensive captain Ralph Sonntag (245) opens at right tackle with junior Rich Slaninka (261) at outside tackle. Coaches hope sophomore Bill Backus (240) and senior Bruce Olecki (256) will provide strong relief work.

The center position seems to be rather well filled by seniors Jim Stull (232) and Mike Stubljar (192) with sophomore Ron Kecman (203) and Joe Morris (194) providing good depth.

Senior Lou Bracken (210) will be hard to move out as starting tight end. Junior Russ Nolan (202) will be his top contender.

At the flanker or split end post, track star Roland Merritt (176) must be given high consideration. Merritt missed spring practice because he was a member of the track squad. The 9.4 speedster pulled a muscle in his left leg running the 100-yard dash in the ACC track meet but hopefully will be recovered for the football season.

Senior Sonny Demczuk (180) and Bill Gillespie (175) will see much service. Both rely on good moves and maneuvers to get open, rather than blinding speed.

Junior Greg Fries will repeat as punting specialist. He kicked a record total of 72 times last season with an average of 39.2 yards per boot, second best in the conference.

BILL BACKUS [79]—Offensive Tackle

Soph. 20 6-4 240 Westfield, N.J.

Spring practice was going well for Bill when the injury jinx struck, forcing him to the sidelines for nearly half the April and May drills....has the size, speed, and quickness to develop into a very fine tackle, to back up the likely 1969 starters Sonntag and Slaninka....first reported to Maryland as a 215-pound end in 1967....was used as an interior lineman on both offense and defense as a freshman....sat out the 1968 season ....all-state, all-county, and all-conference at Westfield High....also played basketball and was the conference golf champion ....is a student in Business and Public Administration.

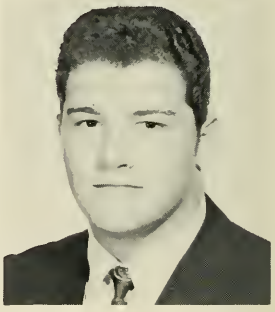
HANK BARNES [84] — Offensive End

Soph. 19 6-3 200 McKees Rocks, Pa.

Up from the 1968 Maryland frosh, Hank is bidding for one of the varsity tight end jobs....coaches feel the potential is present, they are sure Hank has the desire....may push his way up if he can improve his blocking....his final year at Sto-Rox High, Hank was named to the Western Pennsylvania Conference all-star team, earned W.P.I.A.L. honors, and received honorable mention on the all-Pennsylvania team....played baseball and basketball for Sto-Rox, so well that he was named to all-sectional teams in each sport....is studying Personnel Management in the College of Business and Public Administration.

RAYMOND BEDNAR - Offensive Tackle

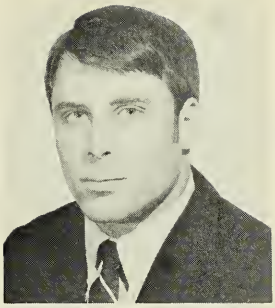
Soph. 18 6-3 255 McKees Rocks, Pa.



Like Hank Barnes, a product of McKees Rocks' Sto-Rox High....figures to compete for a reserve tackle berth this season....Coaches predict Bednar will become a rising prospect if he improves his quickness and aggressiveness, since he is blessed with good size....spent the summer as a steel worker....is majoring in Journalism.

LOU BRACKEN [89] – Offensive End

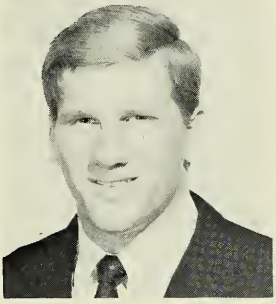
Senior 22 6-2 210 Altoona, Pa.



A good strong blocker who can get open on tight end patterns....will be very hard to dislodge from the starting lineup this fall....impressed the coaching staff with his desire to play and had a fine spring practice....moved into the starting line-up last season when Ron Pearson was declared out for the season with a knee injury....caught nine passes for 115 yards, to place him fourth among Maryland receivers....spent the 1967 season on the defensive unit, switching to offense last season....his position will be a key in the unbalanced T of new coach Roy Lester....was named all-county and all-city for Bishop Guilfoyle High....earned three letters in basketball and holds the school rebounding record, a tip that he can pull 'em down in a crowd.... an Accounting major in the College of Business and Public Administration.

TIM BRANNAN – Offensive Guard

Soph. 18 6-1 205 Baltimore, Md.



An all-round high school athlete....reported to Maryland last fall as a freshman center-linebacker....was pressed into emergency service as a tackle....now is vying for a backup role at guard....should either the likely starters, Burke or Meister, falter, Brannan will be ready to step up....coaches say that Tim needs only to work on straight ahead blocking and refine his pass protection technique....with Archbishop Curley in Baltimore, he earned all-state honors ....was named to the all-Catholic League team and was Curley's athlete of the year....was also captain of the wrestling team and played lacrosse....major is Business Administration.

MIKE BRANT [25] - Linebacker

Senior 22 5-11 190 Avondale, Md.

In his final season with the Terrapins, Mike will be a steady, experienced hand in the Maryland defense....after playing freshman ball in 1965, Mike was a red-shirt in 1966....once given a chance, he beat out a senior for a starting defensive job in 1967 and continued as a first-line defender in '68.... ....grew up within a few miles of the Maryland campus and played his high school football at St. John's of Washington, where he won all-prep and all-Catholic honors....was captain of the St. John's baseball team, played basketball, and competed in track....is to be graduated next February with a degree in Marketing from the College of Business and Public Administration.

TIM BRANT [21] — Linebacker

Soph. 20 6-0 200 Avondale, Md.

Younger brother by nearly two years to Mike Brant....showed a lot of promise this spring....coaches described him as very eager, a good athlete with a fine football mind....was a high school quarterback at St. John's and was named to the All-Metropolitan, all-prep, and all-Catholic League teams....prepped for a year at Frederick Military Academy in Portsmouth, Va.....highly recruited, Tim joined the Maryland freshman squad last season, worked briefly at quarterback, but devoted most of his attention to defense....enrolled in the College of Business and Public Administration, majoring in Public Relations.

PAT BURKE [64] — Offensive Guard

Junior 20 6-2 221 Clifton Heights, Pa.

Maryland coaches break into smiles when they talk about their offensive line, especially players like Pat Burke, who has the ability to be truly outstanding....was the Terps' most consistent offensive blocker during spring practice.... is particularly adept at pulling and trapping.... is blessed with good speed and size, to which he has added another vital ingredient: desire.... made big marks at Cardinal O'Hara High in Clifton Heights, was selected to compete in the Big 33 game, and was named to all-Catholic and all-Delaware County teams ....is in the College of Business and Public Administration, majoring in Transportation.

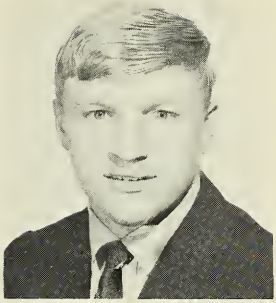
MIKE CHADICK [72] — Defensive End

Junior 20 6-1 220 Wilmington Del.

Mike did not participate in spring practice because he was busy as one of Maryland's baseball pitchers....won his only mound decision, but he lost an opportunity to impress the new football coaching staff....is the type, however, who will work hard to make his presence known when fall workouts begin....after an impressive 1968 spring, Chadick earned a place on the second defensive unit, then improved sufficiently to start several games late in the year....in South Carolina game, Chadick slammed hard into quarterback Tommy Suggs who fumbled and Maryland linebacker Dean Landolt grabbed ball in mid-air and went 26 yards to score....at Salesianum, he played under Maryland administrative assistant and coach Dim Montero....is pursuing a major course in Advertising.

STEVE CIAMBOR [11] — Linebacker

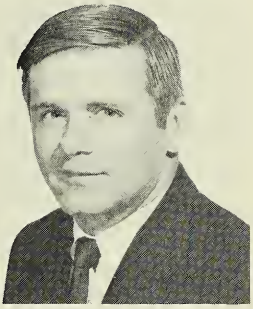
Senior 21 5-11 192 Cheektowaga, N.Y.



Injuries handicapped Steve this spring but the Terps are counting on his experience and all-out effort to bolster the Maryland defense....no member of the squad displays more dedication ....intercepted but one pass last season but it was a flashy grab against South Carolina's Randy Yoakum on Homecoming Day.... lettered as a defensive halfback in 1967....was called upon to shift to linebacker during 1968 spring practice and responded by working his way into the starting defensive unit by the end of drills....was most valuable player in both his junior and senior years at John F. Kennedy High in Cheektowaga, N.Y.....also starred in baseball and basketball and was honored as "scholar-athlete of the year"his senior year....is a Physical Education major.

BOB COLBERT [14] — Defensive Back

Senior 22 5-11 190 Pittsburgh, Pa.



Able to play either defensive halfback or safety, Colbert combines versatility with experience.... completed spring drills as starting left-halfback on the first defensive unit....was named outstanding defensive back for the 1967 season.... has outstanding "football sense" to go along with good speed and agility....after his freshman season at College Park, coaches predicted Colbert would "become a fine defensive back," and Bob has made the estimate stand up.... had one of Maryland's 14 interceptions last year....won MVP honors in baseball as well as football at North Catholic High in Pittsburgh....is a Recreation major in Physical Education.

SONNY DEMCZUK [26] — End-Flanker

Senior 21 5-11 180 Baltimore, Md.

Leading pass receiver of 1968 season....caught 23 passes for 215 yards....returned three kick-offs for 53 yards....first volunteered for football at Maryland in 1965, but was hardly tolerated since his high school, Patapsco, had no football team....his pre-college background was nothing more than sand-lot ball....tried again to make the team in 1966, but again was not encouraged....back again in 1967, Sonny was told he would never play varsity football....he did see some action in 1967, three plays against Clemson, six versus Wake Forest, no catches....by the fall of 1968, he won full scholarship on basis of circus catches....has diligently studied the techniques and moves of former Baltimore

Colt Raymond Berry....has worked extra long on patterns and timing, especially on quick and sideline patterns....returned three kickoffs for 53 yards last year....played baseball and lacrosse at Patapsco....major is Physical Education.

JOHN DILL [73] — Defensive End

Senior 21 6-2 215 Washington, D.C.

In his final season with the Terrapins, John is expected to have a banner season....very strong, very tough football player....has played both end and tackle....particularly tough on plays run at him....needs only to improve his pass rush to become one of Maryland's best defenders....worked hard in spring drills and coaches were pleased with continued improvement....played baseball and basketball as well as football at St. John's College High School, Washington....majoring in Recreation in Physical Education.

KENNY DUTTON [31] — Defensive Back

Senior 21 5-10 175 Baltimore, Md.

Defensive captain....a former offensive back, Dutton has made the transition to defensive halfback with enthusiasm....has all the physical equipment to be outstanding....has excellent speed and quickness....reacts extremely well.... has a quick move to the football....is a good, hard worker....as a sophomore, was the Terrapin's third leading pass receiver....caught 15 passes for 155 yards....as a runner, he gained 246 yards in 81 tries, for a 3.0 average....*holds one major Maryland record: in 1967, returned 24 kickoffs for 454 yards....* returned eight last season for 180 yards....has led the Terps in punt returns for two seasons....an all-American for Baltimore City College High....also won all-state honors....a Physical Education major....member of Fellowship of Christian Athletes.

JOHN DYER [45] — Linebacker

Junior 20 5-11 195 Norfolk, Va.

A regular last season, Dyer looks to be ready to have another fine year....has good quickness and is a hard hitter....reacts well against the passing attack....has a nose for the football....uses handball as off-season conditioner....was all-state, all-district, and all-city for Granby High in Norfolk ....also played baseball for Granby....enrolled in College of Arts and Sciences.

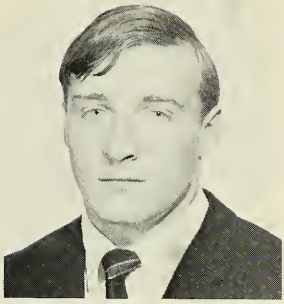
PAUL FITZPATRICK [35] — Wingback
Senior 21 6-0 192 Buffalo, N.Y.



Was one of the bright spots for the new coaching staff in spring practice, especially since he came off a disappointing junior season ....running from a three-back offense gave him a chance, and Paul responded brilliantly....is a hard, determined runner....excellent blocker.... good receiver....was one of the leading runners in every spring scrimmage....led Maryland freshmen in 1966 with 241 yards and 4.0 average.... carried only 16 times as a sophomore and only seven times as a junior....toward the end of the '68 season, he was reserve tight end....hopes to keep momentum of spring practice throughout the coming season....was most valuable player on his Bishop Timon High team.... named all-Catholic League and all-Western New York for Timon....Recreation Major.

History major in Arts and Sciences.

CRAIG GIENGER [53] — Linebacker

Bill showed an ability to get open on pass patterns throughout spring practice, has good hands, exceptional speed....was a high school track star, running 100 and 220 for Maple Heights High....placed seventh state-wide in Ohio track classic....like Sonny Demczuk, he spends many hours working on patterns and timing with quarterback....earned his letter in 1967 with five catches for 57 yards and one touchdown....enrolled in College of Arts and Sciences, History major.
